PROFILE

I am a sales professional with experience in outlet visits, customer relationship management, and identifying growth opportunities in competitive markets. I also have a background in 3D animation, complemented by knowledge of graphic design and basic UI/UX principles. Combining strong communication skills, market insight, and creativity, I am committed to contributing effectively and driving positive business results.

EXPERIENCE

Sales GT (Full Time)

PT. Bintang Inter Global - Bandung, Indonesia October 2025 - July 2026

- Visited outlets to promote products, take orders, and maintain customer relationships.
- Managed sales activities in competitive territories to drive repeat orders and customer loyalty.
- Monitored stock levels and product displays to ensure product availability and visibility.
- Identified market opportunities and prepared sales and visit reports.

Social Assistance Payment Officer (Freelance)

PT. Pos Indonesia - Tasikmalaya, Indonesia January 2022 - March 2025

- Ensuring assistance is distributed according to guidelines and schedule.
- Maintaining accurate records for transparency and reporting.
- Conducting home visits to deliver direct assistance to the elderly.
- Providing support during visits to ensure maximum benefits for recipients.

3D Junior Animator (Full Time)

Manara Studio - Cibubur, Indonesia June 2023 - July 2024

- Creating 3D character and object animations according to the concept.
- Adding movements and expressions to support the narrative.
- Collaborating with the creative team to ensure animation aligns with the project direction.
- Making revisions based on feedback from clients or supervisors for the best result.

Admin and Designer (Full Time)

Kaifa Craft - Tasikmalaya, Indonesia August 2021 - December 2021

- Managing marketplace operations, updating products and related information.
- Handling customer inquiries to ensure satisfaction and loyalty.
- Monitoring transactions, status, and product deliveries.
- Coordinating with suppliers for timely delivery and product quality.
- Designing promotional materials to support campaigns and boost sales.

Desain Grafis (Part Time)

CV. Vincent - Remote (Berbasis di Tasikmalaya, Indonesia) Januari 2021 - Juli 2021

- Designed custom prints based on client specifications and business needs.
- Communicated closely with clients to align designs with their vision and expectations.
- Revised designs promptly based on feedback to ensure high-quality, print-ready results.

SKILL

Hard Skill : Microsoft Word, Microsoft Excel, Microsoft Powerpoint, Reporting, Data Tracking

and Adaptability

PROJECTS

Vincentsandal.com - UI/UX Designer

Responsible for designing the layout and user interface for vincentsandal.com to enhance the online shopping experience. This includes developing wireframes, prototypes, and mockups to ensure intuitive user flows and consistency with the brand identity, as well as collaborating with the development team to optimize designs across various devices.

Ibra Berkisah Iftar Commercial (TVCM) - 3D Animator

Creating 3D animations for an iftar commercial, including character movement, adding expressions, and bringing scenes to life based on the storyboard to capture the warmth and togetherness of the moment. Focusing on movement details to ensure the ad's message is conveyed clearly and emotionally.

Teaser Muhammad Rasulullah Movie (Cancelled) - 3D Animator

Worked on 3D animation for a teaser film that was later canceled. Focused on developing character movements, cinematic effects, and visual atmosphere to build anticipation and intrigue, even though the project did not reach full production. Included key scene animations to introduce characters and the story world.

Counting With Paula - 3D Animator

Responsible for animating 3D characters for an episode of the Paula & Pals YouTube channel. Focused on creating expressive and fluid movements to bring characters to life, aligning with the channel's engaging, child-friendly, and educational style. Collaborated with an international team to ensure the animation met global quality standards.
